# Agenda

- Doing Business with MTC, BATA and BAIFA
- Online Bid and Proposal Submission
- DBE and SBE Programs
- Current and Upcoming Contracting Opportunities
- Questions and Answers
- Networking / Bonfire Registration

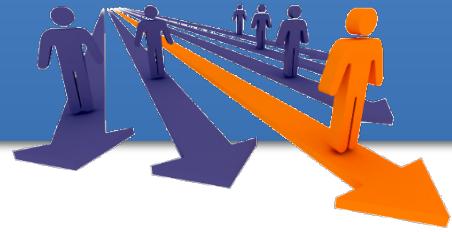

# About Us

- Association of Bay Area Governments **(ABAG)**
- Metropolitan Transportation Commission **(MTC)**
- Bay Area Toll Authority **(BATA)**
- Bay Area Infrastructure Financing Authority **(BAIFA)**
- Bay Area Headquarters Authority **(BAHA)**
- Metropolitan Transportation Commission Service Authority for Freeways and Expressways **(MTC SAFE)**

# Types of Competitive Procurements

## 1. Request for Proposals

**Type:** Best value

**Used for:** Operations & Maintenance, System Design, etc.

## 2. Request for Qualifications

**Type:** Qualifications based

**Used for:** A&E, Legal Services, etc.

## 3. Invitation for Bids

**Type:** Low Bid

**Used for:** Construction, Public Works, etc.

# Doing Business with ABAG, MTC, BATA and BAIFA

- Register with us to receive email notifications regarding contracting opportunities.  
Go to: [mtc.bonfirehub.com](http://mtc.bonfirehub.com)
- Create your profile and select type of business, specific trades, services or specialties your firm can provide to take full advantage of the system notifications.
- Firms that register as Document Takers for a contract opportunity will receive email notifications of addenda and/or changes specific to that contract opportunity.

## Improved User Interface:

- Provides project details, an interactive procurement calendar and required information in a user friendly display
- Provides a digital, interactive Question and Answer platform, significantly reducing the response time from MTC
- Allows bidding vendors and suppliers to painlessly submit proposals digitally, eliminating the costly process of submitting multiple hard copies via courier or in-person
- Facilitates the viewing and evaluating of proposals all in one place reducing the time between proposal submission and award

#### Project Description:

The Metropolitan Transportation Commission (MTC) is seeking a consultant to provide construction management services for the I-880 Integrated Corridor Management (ICM) North Segment Project (I-880 ICM Project). The types of activities include, but are not limited to, project management, schedule management, budget and invoice analysis management, inspection services, systems testing, document control, change management and reporting and construction engineering.

The construction manager for this project will assist the MTC project manager with overall project management. The construction manager will oversee and facilitate the timely and efficient completion of work by both the civil construction contractor and the system integrator, including close coordination with AC Transit and their BRT contractor. Additionally, the construction manager will proactively lead all necessary coordination with the stakeholders, including, but not limited to: Caltrans, City of Oakland, City of San Leandro, AC Transit, PG&E, and Union-Pacific Railroad (UPRR).

A DBE subcontracting requirement of 10% is included in the contract resulting from this RFP.

Also, please note that funding for the construction portion of this Project has been authorized. Thus, MTC anticipates moving forward with that portion of the project also within the next few months.

# What All Proposers Should Do

**1. Ask Questions**

**2. Register for a Bonfire Account, once you become a Document Taker for a procurement you will receive notice of addenda and/or changes specific to that contract opportunity**

**3. Attend Proposers / Bidders Conference**

**4. Double check submittals to ensure all required information/ documentation are included**

**5. Avoid last minute submissions. Submit the proposal / SOQ / Bid documents before the due date and time.**

Disadvantaged  
Business  
Enterprise (DBE)  
& Small Business  
Enterprise (SBE)  
Programs

- In 2009, MTC wholly adopted the Caltrans DBE Program and to assist Caltrans in achieving its DBE goals.
- MTC is currently working to develop a DBE Program for all FTA Funded projects.
- MTC develops and monitors per contract DBE goals for federally funded contracts.

# Disadvantaged Business Enterprise (DBE) & Small Business Enterprise (SBE) Programs

- In 2015, MTC adopted a Construction Project SBE Program to assist SBE firms in participating in construction contracts.
- To further provide economic opportunity for the residents and businesses, and stimulate economic development in the San Francisco Bay Area Region, MTC began the Professional Services Small Business Enterprise (SBE) Pilot Program in 2017.
- MTC does not administer a SBE certification program. Only firms (prime or subcontractor) that are certified by the State of California as SBEs listed at <http://www.dgs.ca.gov/pd/Programs/OSDS/SBEeligibilityBenefits.aspx> are eligible

## Title: Spare the Air Youth Program

### Schedule

RFP Release: August 3, 2017

Bidders Conference: August 15, 2017 (non-mandatory)

Proposals Due: September 8, 2017

Contract Award: November 2017

Duration: 5 years

## **Title:** I-880 Integrated Corridor Management (ICM) North Segment

### **Schedule**

RFQ Release:	August 14, 2017
Bidders Conference:	August 24, 2017 (non-mandatory)
Proposals Due:	September 11, 2017
Contract Award:	December 2017
Duration:	2.5 years

RFP available at <https://mtc.bonfirehub.com/login>

## Title: Express Lane Program Advisor

### Schedule

RFP Release: August 4, 2017  
Bidders Conference: September 6, 2017 (non-mandatory)  
Proposals Due: October 12, 2017  
Contract Award: January 2018  
Duration: 3.5 years

RFP available at <https://mtc.bonfirehub.com/login>

# Upcoming Contract Opportunities

## **Title:** On-Call Construction Management and Design Services

### **Description:**

The services to be provided include on-call construction management and/or design services for various capital improvements and other projects sponsored by BATA, MTC, BAIFA, MTC SAFE, and BAHA. On-Call bench selection is not a guarantee of work and Agencies reserve right to directly advertise projects. The scope of work is still under development.

**Schedule\*:** To be advertised by BATA in the September 2017

*\*Dates are subject to change. Check the agency website <http://mtc.bonfirehub.com> for more information.*

## **Title:** On-Call Construction Management and Design Services

### **Past Projects\*:**

- Construction administration Guide - CM
- Design specification Boilerplate - DS
- Fastrak® Sign Installation - DS and CM
- Project Controls - CM
- Express Lane - DS and CM
- Bridge Yard Seismic Retrofit and Renovation - DS and CM
- SFOBB Toll Plaza Renovation - DS and CM
- SFOBB Open Road Tolling (ORT) - DS and CM
- SFOBB Toll Plaza Overhead Sign Structure (OHSS) - DS and CM
- SFOBB Metering Upgrade Project (ITS, System Engineering) - DS and CM
- RSRB Access Improvements
- Bay Bridge Trail Bike/Ped Improvement - DS
- West Grand Avenue On-Ramp Improvements Project - DS
- Climate Change/Sea Level Rise Inundation Mapping – DS
- On-Call bench selection is not a guarantee of work and Agencies reserve right to directly advertise projects

**Title:** On-Call Construction Management and Design Services

## **Potential Future Projects\*:**

- Express Lanes (DS/CM)
- Toll Plaza Improvements (DS/CM)
- Facilities Improvements (DS/CM)
- Toll Bridge Improvements (DS/CM)

\* On-Call bench selection is not a guarantee of work and Agencies reserve right to directly advertise projects

## **Title: Toll Bridge Maintenance and Rehabilitation Assessment**

### **Description:**

BATA is seeking consultant support to provide practical assistance to BATA and Caltrans to better plan, schedule, direct, and monitor work on the bridges, including update of the Toll Bridge Rehabilitation Program and assessment of toll bridge maintenance on the Bay Area's seven State-owned toll bridges. The scope of work is still under development.

**Schedule\*:** To be advertised by BATA in the next 60 to 90 days

*\*Dates are subject to change. Check the agency website <http://mtc.bonfirehub.com> for more information.*

## **Title:** Toll Bridge Maintenance and Rehabilitation Assessment

### **Scope:**

BATA is seeking cost effective proposals for this effort. The preliminary scope of services may include:

1. Asset Inventory
2. Asset Assessment
3. Review and Assessment of Bridge Maintenance Activities
4. Review and Assessment of Preventive Maintenance Activities
5. Review and Assessment of Inspection and Structural Monitoring Practices
6. Review and Assessment of Toll Bridge Rehabilitation Program, including life cycle analysis

## **Title: On-Call Project/Program Management Support**

### **Description:**

BATA is seeking consultant support to provide project management support on an on-call as-needed basis. Consultant would provide management and support staff to BATA for project delivery and program management.

Typical assignments could be support of E-builder implementation and serving as project manager on civil infrastructure projects.

### **Schedule\*: TBD**

*\*Dates are subject to change. Check the agency website <http://mtc.bonfirehub.com> for more information.*

**Title:** Richmond San Rafael Bridge Access  
Improvement Project – Package B1 (IFB)

**Schedule:** To be advertised in September 2017

**Title:** C2 System Integrator (RFP)

**Schedule:** To be advertised in September 2017

**Title:** Summer Intern Consultant (RFP)

**Schedule:** To be advertised in September/October 2017

**Title:** Translation Services (RFQ)

**Schedule:** To be advertised in September/October 2017

**Title:** FSP Beat 32 (RFQBI)

**Schedule:** To be advertised in September/October 2017

**Title:** On-Call Construction Management and Design Services (RFQ)

**Schedule:** To be advertised in September/October 2017

**Title:** RSR Package B Civil (IFB)

**Schedule:** To be advertised in September/October 2017

**Title:** StreetSaver Software Development (RFQ)

**Title:** BayREN Energy Efficiency Studies (RFP)

**Schedule:** To be advertised in September/October 2017

**Title:** Toll Bridge Asset Management (RFQ)

**Schedule:** To be advertised in Winter 2017

**Title:** I-880 ICM Civil Construction (IFB)

**Schedule:** To be advertised in Winter 2017

# Assigning Work

## \*General Information:

- MTC reserves the right to not utilize the bench and issue a separate procurement for the same or similar services.
- Selection to be on the Consultant Bench does not guarantee that a contract will be awarded.
- Assignment of work is typically dependent on the type of work involved and funding source. Check the original bench procurement for how work will be assigned.

## \*A&E versus non A&E work:

- If a project is federally funded and involves A&E work, a mini-RFQ will be issued to all prequalified firms on a bench. This will be a qualifications based selection and price will not be considered or negotiated until a selection has been made.
- If a project is non-federally funded and involves non-A&E work, a mini-RFP may be issued to any or all prequalified firms on a bench or a direct selection can be made if the original procurement allows for it.
