

Want an **e-bike**
or **scooter** for
your commute?

We'll kick in up to
\$1,000!

New Pilot

Napa Valley Forward is launching a new pilot that offers up to \$1,000 off the purchase or lease of an e-bike or e-scooter. This offer is available to all employees participating in the NVF program. This program aims to encourage more employees to bike or roll to work instead of driving.

Scan the QR Code to sign up for the program and get started. For more information check out our website: www.mtc.ca.gov/nvf

Launching this Summer
